

# Great Wall of China Mission Update

Russ and Amy McGlenn

# China Isolated for Decades

MCGLENN CHINA MINISTRY 2018

1965 God had given me a burden for China nearly 50 years ago when I was at seminary. As many of you well know, the Communist Bamboo Curtain closed China to any outsiders. So at that time I gave up that idea. No one went in and no one came out.

1972 Nixon visited China and the door opened a little bit.

1976 Mao Tse-tung died.

1989 Tianamen Square Protest by young people opened the door further to Western ideas. Sadly, thousands of protesters were killed by the Army. Nearly 30 years later it seems 90 percent of what I buy is made in China.

2018 Now, even though Communism took over 70 years ago, the doors are open more than ever before for sharing God's Word.

**Pray they continue to open wider.**

# The Great Wall – Greatest of All

**Imagine building a wall from Barrow Bay Alaska to Tierra Del Fuego SA. That is a distance of is 9,600 miles crossing mountains, deserts and rivers. What an amazing feat.**

# The Great Wall of China Mission...

The people of China...

The truth of God's  
revelation...

Wall of Humanistic Evolutionism and  
bad science keeps them from the truth.

# China Mission Update

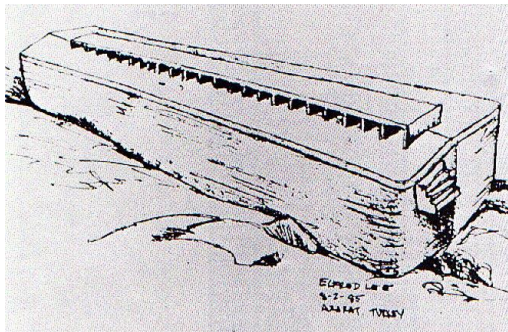

1. Raised \$3000.
2. Political situation:  
Increased persecution of Christians.
3. Pray it is reduced by October.
4. Pray it is reduced by October.
5. Any more contributions for China will go in the fund to extend our time there or for a second trip.
6. We will wait until April or May until the trade wars and persecution are less.

# China & Noah

The first king of China was called Fu-Hi, Nu-wa or Nu-Kua who saves the people from the Flood and starts China. Their history records:

1. The entire land was flooded.
2. Water covered the highest mountains.
3. Saved by Fuhi, whom the Chinese consider to be the father of their civilization.
4. Fuhi, his wife, three sons, and three daughters escaped the great flood. [8]
5. An ancient temple in China has a wall painting that shows Fuhi's boat in the raging waters.
6. Dolphins are swimming around the boat and a dove with an olive branch in its beak is flying toward it.

# China & Boat

This glyph shows the Chinese word for boat. It is made up of three parts that means vessel, eight, and people.

This is from the Ancient Bone Oracle writing that dates back 4000 years ago. Nearly the time of Noah.

船

*boat*

舟 八 口

*vessel eight people*

## China and Noah

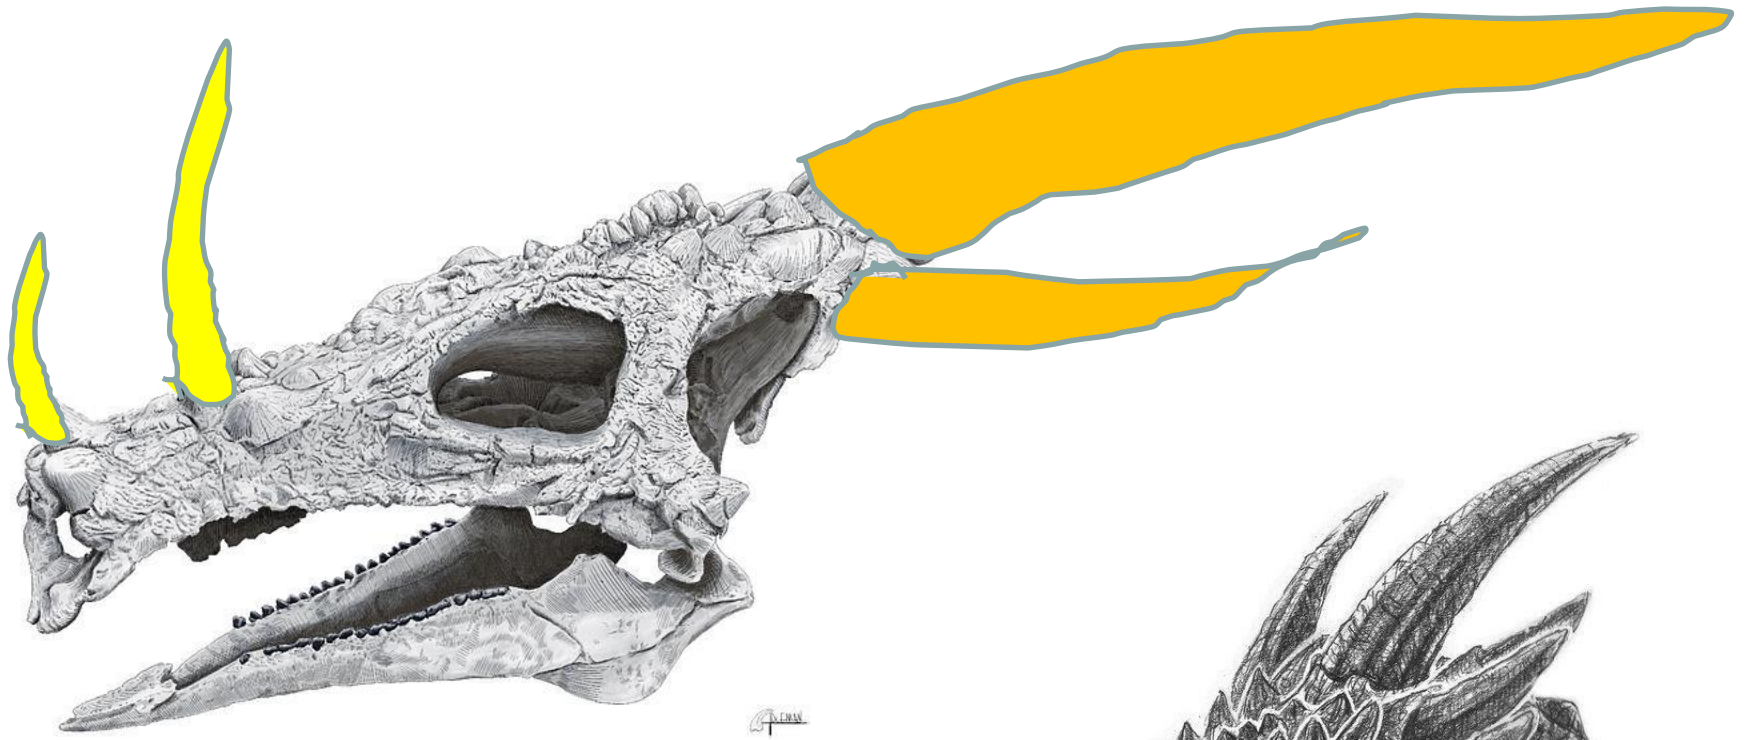

**Painting found at a restaurant in Rapid City, June 2004. The Chinese letters in upper left corner say "8 spirits..." The rest the lady did not know. Note Flood similarities: 1. Water, 2. 8 people, 3. 5 men 3 woman [off by 1 woman] 4. Elder man in middle might be Noah, 5. Bird [dove in Bible], 6. Small rock lower left. [top of Mt. Ararat?]**

# Chinese Dragons are Dinosaurs

**We are showing that Asian Dragon art and stories are based on real dinosaurs the people saw. At Northwestern College I will be speaking on the dinosaur Marco Polo saw in 1300 AD.**

**Fossilized Skull**

**My theory: Hard Hair Horns grow out of the bone anchor points... Just as cartilage seldom fossilizes, this material may not fossilize either and we do not find it with the Packy skull.**

**Artist drawn concept Skull**

# Great Wall of China Mission Update

## Summary for SS at Meadow Creek

Since Communism took over after 1946 Godless evolutionary humanism has governed the nation of China. Karl Marc asked Darwin to write an introduction to His book. “The Communist Manifesto” in 1848 because it was based on Darwin's evolutionary philosophy. Darwin said he could not because it would offend his wife who was a Bible believing Christian. Communism says; “Religion is the opiate of the people.” and needs to be eradicated so the people will be free to create a utopian socialist state. It says the Bible is a lie because Darwinian evolution proves how life came from the primordial oceans and thus there is no need to explain that God made it.

The Great Wall of China was built to keep the Northern Mongols from taking over China. Like the Wall, Communism is designed to keep the truth of God’s Word from reaching the hearts of the Chinese people.

*2 Corth. 10:4 “For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds”*

I call our trip to China the “Great Wall Mission” because the “stronghold” wall of evolutionism has to be broken down so the young people see the alternative, which is a Biblical world view. Our weapon is showing God’s handiwork in the creation.

*Ps.19:1 “The heavens declare the glory of God; And the firmament shows His handiwork.”*
