

Wilderness Adventure Camp

Do you want to improve your camping skills and learn more about the outdoors? We can offer you and your family a unique camping trip customized to your wishes. We can teach you the necessary skills for wilderness survival. We will not put ourselves into a survival situation. A base camp will be set up a quarter mile away from the survival camp. Morning breakfast and evening dinner will be at the base camp, the days will be spent at the survival camp and canoeing the river.
