The World that Perished

Tuesday, July 21, 1998, 7:30 p.m. Totino Fine Arts Center, Rm. 115 Northwestern College, Roseville

Only eight people survived the most awesome catastrophe this planet has ever known. The Genesis flood was not a fairytale! This award-winning documentary brings to the screen the world's most awesome catastrophe ever! Combines special effects animation with other outstanding visuals. Brings to light the scientific and historic evidence that God's judgment - Noah's Flood - was real and global. / Reveals the fascinating facts and planet-changing nature of the Flood. / Biblically accurate / Answers the doubts of skeptics and strongly strengthens faith in the Bible. This much-translated film illustrates that God does judge sin, and concludes with an excellent soul-winning message. Question and answer time following the video. Recommended for adults and youth but elementary students should also enjoy it.

(Produced by Films for Christ)

TCCSA needs additional board members including a treasurer later this year. For more information please contact Bob Helfinstine at 421-8964.

TCCSA Coming Events
at Northwestern College

Aug. No meeting and no Newsletter. Have a great Summer!
Sep. 15, Eugene Sattler, from the Creation Education Assoc.
Oct. 20, Rev. David Freuhoff, Diet and Nutrition in the Bible.

TCCSA's STATEMENT OF BELIEF

We believe in God: The Father, Son and Holy Spirit. We believe that the Bible is the inspired Word of God, and that all of its assertions are historically and scientifically true in the original autographs; this means that the account of origins in Genesis is a factual presentation of actual historical truths. We believe that the origin of matter and all basic types of living things, including man, came about through direct creative acts of God during the six-day creation week described in Genesis. Whatever biological changes have occurred since the creation week have accomplished only changes within the created kinds. We believe that the great flood described in Genesis, commonly referred to as the Noachian Flood, was an historic event, world-wide in extent and effect. We accept the account of the special creation of Adam and Eve as the first man and woman. Their subsequent fall into sin, by disobedience of God's direct command, is the basis for our belief in the necessity of a Savior for all mankind.

Therefore, we believe that Jesus Christ is our Lord and only Savior and that personal faith in Him is necessary for salvation.

Adventure Safaris Summer Activities

We have safaris and other activities scheduled throughout the summer for people of all ages. From one-day trips in our area to week-long safaris at dinosaur digs in the Dakotas. Your family won’t soon forget a dino dig, and may just want to go again next year. Contact us now for information on how you can participate in one of these exciting events. We are also looking for individuals or organizations to sponsor kids who would otherwise be unable to go on a dig. As always we are looking for materials and equipment for training the next generation of creationists. Donations are tax deductible, but better yet they will make a difference for eternity. Your prayers and support for this ministry to youth of all ages are a great encouragement. Thank You

Upcoming Metropolitan Creation Science Association Events

The Metropolitan Creation Science Association holds its meetings at Redeemer Lutheran Church, 1301 E. Cty. Rd. 42, Burnsville, the first non-holiday Monday of each month starting at 7:30 p.m. Call (612)892-1073 for info.

July 6  David Stoltzmann, Astronomy.

CREATIONWISE

Look at that rainbow! A promise from God that hell never again flood the entire earth as he did in Noah’s day!

My Christian college professor said that Noah’s flood was just a localized event.

YOU MEAN “LOCALIZED” LIKE THIS FLOOD WE’RE HAVING NOW?

GENESIS 9:18-17
