CREATION BULLETIN

June 2009

Vol. 35, No. 6

The Pre-Flood World

7:30 PM, June 16, 2009, Nazareth Hall Chapel, Northwestern College

Brian Young, a nationally known speaker and author of *Doubts about Creation? Not After This!*; *Genesis: Yesterday's Answers to Today's Problems*; *Revelation: All of God's Word Revealed*; and others, is the founder and director of which he has done research; while at the same time, stresses Biblical Creationism as the foundation for good Creation Instruction Association. He served as a principal and teacher in Christian schools for ten years before becoming a full time evangelist in Creation ministry. He does jail and nursing home ministry as well as weekly street evangelism along with speaking around the country on the important issue of Creation versus evolution. His topics cover a wide range of areas in education and theology.

Anything but a boring lecture, the exciting, entertaining and educational approach of the Creation Instruction Association will present "Dinosaurs, The Ice-Age and the Pre-Flood World" which will answer basic creation questions and touch on more in-depth topics that are commonly addressed with the creation/evolution debate. With much humor and lots of PowerPoint slides Brian Young will discuss the age of the earth and its implications on the gospel, dinosaurs and their relation to the Bible and Noah's Ark, the origin of races and their intellectual abilities, possible scientific theories to explain how people could live to be 900 years old before the Flood, address inconsistencies and illogical reasonings of evolution and much more. Questions will be welcomed and several books and DVD's will be available.

All meetings are free and open to the public, an offering will be accepted.

John Nuckols has a web site and now his son Dan is producing an email newsletter. To be included, email your request to jpnuckols@gmail.com.

Adventure Safaris Dino Dig

Looking for a different kind of family vacation? You won't find anything more different than digging up dinosaur bones in South Dakota. Your whole family will be able to get their hands dirty and have a great time doing it.

Hurry while openings are still available for June 15-19, 22-26 and June 29—July 3. Call (805) 925-9750 or russmcglenn@juno.com.

Have you considered...

...baby bird poop.

Baby birds are always hungry, and the parent bird is continually feeding it; but what goes in one end must come out the other. The nest could easily become a real mess. The presence of this fecal matter would not only be unhealthy, but enable predators to easily detect their location. What would solve this problem? Disposable diapers. This is exactly what God has provided to some baby birds. Each chick's fecal matter has a membrane that surrounds it. The parent then removes this fecal sac and deposits it away from the nest. So, this summer as you see tiny baby birds in their nests think of how God has provided for their cleanliness and safety—a biodegradable disposable diaper.

... stop and consider God's wonders. Job 37:14

Julie Von Vett is available to speak (651) 464-4361

Coming Up . . .

July 21—*Darwin on the Rocks* Video

August—No meeting or newsletter

Sept. 15—Lanny Johnson—Origins of Man

Oct. 20—Bruce Malone—The Red Record

CREATIONWISE

TCCSA's STATEMENT OF BELIEF
 We believe in God: The Father, Son and Holy Spirit. We believe that the Bible is the inspired Word of God, and that all of its assertions are historically and scientifically true in the original autographs; this means that the account of origins in Genesis is a factual presentation of actual historical truths.
 We believe that the origin of matter and all basic types of living things, including man, came about through direct creative acts of God during the six-day creation week described in Genesis. Whatever biological changes have occurred since the creation week have accomplished only changes within the created kinds.
 We believe that the great flood described in Genesis, commonly referred to as the Noachian Flood, was an historic event, world-wide in extent and effect.
 We accept the account of the special creation of Adam and Eve as the first man and woman. Their subsequent fall into sin, by disobedience of God's direct command, is the basis for our belief in the necessity of a Savior for all mankind.
 Therefore, we believe that Jesus Christ is our Lord and only Savior and that personal faith in Him is necessary for salvation.

The CRC Mail-order Creation Library?
 The Creation Lending Library is currently only lending DVDs through the mail but we have hundreds of other excellent creation resources that can be checked out at the Christian Resource Center located at Grace Church Roseville at Hamline and County Rd. B2 and is open on Tuesdays and Wednesdays. Contact Jeannene Forshee at jcforshee@usfamily.net for more information on times and resources. If you have some time available they need volunteers to keep it open more hours.

I want to become a member of TCCSA and I subscribe to the Statement of Belief. (Calendar year membership dues are \$20.00. Students do not pay dues.) E-Mail: david-johnson@usfamily.net

I want to renew my membership in TCCSA (note dues above.) Mail: TCCSA

Please keep me on your mailing list and/or e-mail updates 6300 Georgia Ave. N.
 Brooklyn Park, MN 55428-2526

I want to make a donation to help promote Creation Science.
