Vol. 37, No. 1

## New Discoveries in Old Testament Archeology

7:30 PM, January 18, 2010, Totino Fine Arts Center Room F2128, Northwestern College, Roseville

This PowerPoint presentation will provide strong archaeological support for the historical accuracy of the Old Testament. Among the archaeological discoveries to be discussed are: The Ketef Hinnom Scrolls, the Shasu of Yahweh Inscriptions, the Tel Dan Stela, the Nabonidas Cylinder, the Elah Ostrakon, the Hazor Law Code, and the Philistine Temple at Gath. You will even learn how to pronounce the words.

Dr. Clyde Billington is a favorite speaker at NWC and at TCCSA meetings. He is able to bring archeology alive to hearers of all ages. Editor's note: Dr. Billington's talks have stuck with me more than any others we have had in 14 years. If you don't learn something here, your entire entry fee will be cheerfully refunded.

All meetings are free and open to the public, an offering will be accepted.

### Science Fair and Writing Contest

TCCSA sponsors a science fair, open to all K-12 students on February 12-13. This is an excellent learning experience. Students plan, design and construct their project, record their results, construct a poster/display and write a report. The final step is to present their project to judges and the public in a clear and concise way. A former participant, now an engineer, says he uses what he learned to think logically and communicate clearly. Go to [www.tccsa.tc](http://www.tccsa.tc) and click on Science Fair for rules and ideas. Prizes for the winners in each age group. Also check out our writing contest. You may use your science fair project as a topic if you wish. Papers are due May 15. Winners may be asked to read their paper at a TCCSA meeting.

### Coming Up . . .

Feb. 12-13—Science Fair at Har Mar Mall  
Feb. 15—Dr. Charles Aling, The Joseph Story, new evidence  
Mar. 15—Dr. Randy Guliuzza, Programmed Filling: NOT Natural Selection  
April 19—Russ McGlenn, The Magnificent Monster of Manitoba

For updates go to [www.tccsa.tc](http://www.tccsa.tc)

Welcome to our 38th year of programs from TCCSA. We hope you will be blessed and informed by the speakers this year. Keep us in your prayers as we search for speakers and topics that will be beneficial to you.

### Have you considered...

...the chickadee's feet? Why doesn't his feet freeze off during the winter? In fact, why don't any of the birds we see in January, lose their feet during brutally cold winter days and nights? God designed the bird's feet with a unique heating system. Bird's have a network of arteries that take 106 degree blood down to their feet. This close network of arteries and veins, called a "wonder net," act as a heat exchanger never allowing the feet or the body to get dangerously cold. If evolution were true, how many feet had to freeze off before "Mother Nature" got it right? NO, the bird's feet were designed by the Master Designer. That is why we see winter birds with feet intact. The next time you see a bird at your bird feeder, consider the chickadee's feet.

...stop and consider God's wonders. Job 37:14

**CREATIONWISE**

**TCCSA's STATEMENT OF BELIEF**  
 We believe in God: The Father, Son and Holy Spirit. We believe that the Bible is the inspired Word of God, and that all of its assertions are historically and scientifically true in the original autographs; this means that the account of origins in Genesis is a factual presentation of actual historical truths.  
 We believe that the origin of matter and all basic types of living things, including man, came about through direct creative acts of God during the six-day creation week described in Genesis. Whatever biological changes have occurred since the creation week have accomplished only changes within the created kinds.  
 We believe that the great flood described in Genesis, commonly referred to as the Noachian Flood, was an historic event, world-wide in extent and effect.  
 We accept the account of the special creation of Adam and Eve as the first man and woman. Their subsequent fall into sin, by disobedience of God's direct command, is the basis for our belief in the necessity of a Savior for all mankind.  
 Therefore, we believe that Jesus Christ is our Lord and only Savior and that personal faith in Him is necessary for salvation.

Want interesting inserts for your church bulletins or for handouts? Creation Moments provides free downloads on their web site, [www.creationmoments.org](http://www.creationmoments.org), click on Resources and then Church Bulletins. Lots of good stuff there.
