Vol. 37, No. 6

Life in Outer Space

7:30 PM, June 21, 2011, **Room F2128 Totino Fine Arts Center**, Northwestern College, Roseville

Brian Young is the founder of Creation Instruction Assoc. and is returning with another fascinating topic. We're sure your family will want to hear this talk. <http://creationinstruction.org>

Governments around the world have spent billions on radio and optical telescopes to find life somewhere in the vast reaches of outer space. Is there really life on outer space planets? Many are unsure, but as we examine the evidence we will come to a solid conclusion in this matter. You may be surprised.

All meetings are free and open to the public, an offering will be accepted.

Have you considered...

...that Genesis 5 tells the gospel story. What may appear as the most boring part of the Bible in reality fascinating. In Genesis 5 is found the genealogy of the pre-flood people... When Adam had lived 130 years, he became the father of a son and named him Seth... Seth became the father of Enosh... and Enosh lived 90 years, and became the father of Kenan... and so on (Jesus was born of this genealogical lineage). Back in those days, names had meanings and when naming a child, the parent was very aware of that meaning. The following are the names of the antediluvian patriarchs and their meanings.

Adam means, "man", Seth means "appointed", Enosh means "mortal", Kenan means "sorrow", Mahalelel means "The Blessed God", Jared means "Shall come down", Enoch means "teaching", Methuselah means "His death shall bring", Lamech means "despairing", Noah means "comfort or rest". When we hook all the meanings together we read, "Man is appointed mortal sorrow, but the blessed God shall come down, teaching his death, shall bring the despairing comfort and rest." Here in Genesis, we find the prophetic message of Jesus Christ!

Doubts about Creation? Not After This! Brian Young, p.282-283.

Adventure Safaris Dino Dig 2011

Imagine excavating dinosaur bones that haven't seen the light of day since Noah's Flood... Russ and Tricia McGlenn with Adventure Safaris invite you and your family on the family vacation of a lifetime! Come and experience the thrill of digging up dinosaurs and cleaning and preparing the bones for museum display. From finding the bones to seeing where they go in the museum, this truly is the best family vacation ever! Camp site included in price. One or two creation science talks a day. We usually go to the dig site in the morning and late afternoon. Cost is \$1,095 per family (\$350 for student only). July 31-August 5 and August 7-12, 2011. (New Dates because of possible flooding in South Dakota.) For more information see www.tccsa.tc/adventure/dig

Coming Up . . .

July 19—Video—Dragons or Dinosaurs?

August—No meeting or newsletter

Sept. 20—Dr. Don Bierle—T.B.D.

Oct. 18 -Dr. Ross Olson, New Age next step in Evolution

For updates go to www.tccsa.tc

Adventure Safaris

By Daniel Nuckols

Recent moon probe tries to discover water on the moon...

In case you haven't checked the TCCSA schedule, we have some dynamite programs planned. You can go to www.tccsa.tc for details and program listings.
If your church or organization has activities planned that may be of interest to our readers. Let us know.

TCCSA's STATEMENT OF BELIEF

We believe in God: The Father, Son and Holy Spirit. We believe that the Bible is the inspired Word of God, and that all of its assertions are historically and scientifically true in the original autographs; this means that the account of origins in Genesis is a factual presentation of actual historical truths.

We believe that the origin of matter and all basic types of living things, including man, came about through direct creative acts of God during the six-day creation week described in Genesis. Whatever biological changes have occurred since the creation week have accomplished only changes within the created kinds.

We believe that the great flood described in Genesis, commonly referred to as the Noachian Flood, was an historic event, world-wide in extent and effect.

We accept the account of the special creation of Adam and Eve as the first man and woman. Their subsequent fall into sin, by disobedience of God's direct command, is the basis for our belief in the necessity of a Savior for all mankind.

Therefore, we believe that Jesus Christ is our Lord and only Savior and that personal faith in Him is necessary for salvation.

Have you checked the links on www.tccsa.tc? You can find other organizations, sources for goods, services and information that will better enable you to understand creation and our Creator.
