Genesis and Ancient China

7:30 PM, May 15, 2012, Nazareth Hall Chapel, Northwestern College, Roseville

The Genesis story hidden within the ancient Chinese written symbols Since the original religion of the ancient Chinese is similar to that of the ancient Hebrews, as described in the Bible, it should not be surprising to discover that the inventor(s) of the ancient Chinese writing system knew and believed in an identical account of creation and earth's beginnings as found in the book of Genesis in the Hebrew Bible. The oldest extant forms of the Chinese written characters have been preserved on bronze vessels and tortoise shells or scapula bones from sheep and bulls. For example the Chinese character meaning 'boat' is composed of three parts (radicals): Vessel + eight + people/mouths = boat

Research has demonstrated that the original God of China was called '**Heaven**' or '**ShangDi**' and the ancient Chinese people, including Confucius, worshiped Him.

Richard Broadberry spent many years in Taiwan and China as a Blood Bank Scientist, he co-authored the book **God's Promise to the Chinese** available in both English and Chinese. He and his family live in England.

All Meetings are free and open to the public, an offering will be accepted.

Have you considered...

...that there is evidence of a worldwide flood in the historical records of many people groups from around the world. For example, the Toltec Indians of ancient Mexico record that a few men escaped the great Flood that covered the highest mountains in a closed chest. This first world lasted 1,716 years (The Biblical account has the pre-flood world lasting 1,656 years). The Toltec histories recount that after the Flood, a great tower was built and then the languages were confused. (Tower of Babel: Genesis 11). The Toltec language was spoken by 7 friends and their wives. They crossed great waters, lived in caves, and wandered 104 years until they arrived in southern Mexico. This was 520 after the great Flood. This is just one of some 360 Flood stories from around the world.

...stop and consider God's wonders. Job 37:14

TCCSA's STATEMENT OF BELIEF

We believe in God: The Father, Son and Holy Spirit. We believe that the Bible is the inspired Word of God, and that all of its assertions are historically and scientifically true in the original autographs; this means that the account of origins in Genesis is a factual presentation of actual historical truths.

We believe that the origin of matter and all basic types of living things, including man, came about through direct creative acts of God during the six-day creation week described in Genesis. Whatever biological changes have occurred since the creation week have accomplished only changes within the created kinds.

We believe that the great flood described in Genesis, commonly referred to as the Noachian Flood, was an historic event, world-wide in extent and effect.

We accept the account of the special creation of Adam and Eve as the first man and woman. Their subsequent fall into sin, by disobedience of God's direct command, is the basis for our belief in the necessity of a Savior for all mankind.

Therefore, we believe that Jesus Christ is our Lord and only Savior and that personal faith in Him is necessary for salvation.
