Have you considered...

...that ancient man was intelligent. Recently archaeologists examined some stone tools that were made by Neanderthal man. The wooden handles were glued to flint knives by birch pitch superglue. This adhesive made by dry distillation would even be difficult by modern manufacturing methods. Smoldering birch bark must reach temperatures of 644 to 752 degrees F. in the absence of oxygen. If the temperatures are lower than 644 degree F. the birch resin will not melt. If the temperatures are above 752 degrees F, it will simply burn. Making superglue from birch bark took some know-how! Was Neanderthal man a bumbling, primitive caveman as evolutionists believe? Hardly! God made man intelligent from the beginning as we read in Genesis 4:22, "Tubal-cain the forger of all implements of bronze and iron."

...stop and consider God's wonders. Job 37:14

CREATIONWISE

Church Point People Wanted

We would like someone in each church who can promote biblical creation in your congregation. Put up a poster, provide literature to interested people and/or car pool to meetings.

1. You are a Christian
2. Have a desire to promote creation science
3. Do not need to be a leader
4. Need only a basic understanding, not be an expert
5. Have a desire to learn more about creation science
6. Invite speakers or show videos. We can help.

If you are interested in becoming involved let us know so we can provide information and discuss ways to help your church family.

Moving? Let us know so you won't miss out! Help us by letting us know ahead. You can also convert to email so it goes where you go. Thanks

If we haven't heard from you in several years, we may remove your name from our mailing list. Please let us know if you want to remain on our newsletter list. Your mailing label has a letter and a number following your name. The number is the year we last heard from you. R05 = 2005, M12 = 2012. The M number shows the most recent year you were a paid member. Members get additional discounts on many things on our book table which are already discounted. Membership also gets you a free DVD at the book table, ask if you paid by mail.

If you join by mail, request your free gift at your next meeting.

TCCSA's STATEMENT OF BELIEF

We believe in God: The Father, Son and Holy Spirit. We believe that the Bible is the inspired Word of God, and that all of its assertions are historically and scientifically true in the original autographs; this means that the account of origins in Genesis is a factual presentation of actual historical truths.

We believe that the origin of matter and all basic types of living things, including man, came about through direct creative acts of God during the six-day creation week described in Genesis. Whatever biological changes have occurred since the creation week have accomplished only changes within the created kinds.

We believe that the great flood described in Genesis, commonly referred to as the Noachian Flood, was an historic event, world-wide in extent and effect.

We accept the account of the special creation of Adam and Eve as the first man and woman. Their subsequent fall into sin, by disobedience of God's direct command, is the basis for our belief in the necessity of a Savior for all mankind.

Therefore, we believe that Jesus Christ is our Lord and only Savior and that personal faith in Him is necessary for salvation.

Have you wished you had a copy of a TCCSA program that you missed or want to share? Most of our programs have been recorded and are available from Lehrke Productions. They may be purchased at our meetings or from LLL@mntelelevision.com.
