

CREATION BULLETIN

April 2015

Vol. 41, No. 4

Khirbet Qeiyafa

Tuesday, April 21, 7:30, Totino Fine Arts Center, Room F2128, Univ. of Northwestern, 3003 N Snelling, Roseville

A dig site in Israel is providing wonderful insight into old testament times including the fall of Jerusalem. Hieroglyphs, including the oldest known Hebrew inscription, have been found that tell of places and people in your Bible. King Shoshenq captured Jerusalem and looted the temple and the city.

Dr. Clyde Billington has presented several talks over the years that are some of the most unforgettable talks we have had. If you think archeology is boring you haven't heard Dr. Billington speak. This talk will keep your attention and will boost your confidence in the Bible being a trustworthy source of history. Youth and children who are doubting the Bible's accuracy may find this helpful.

All Meetings are free and open to the public, an offering will be accepted.

Have you considered...

...the chambered nautilus. This South Pacific sea creature has a unique shell. Inside the shell, it is divided into separate chambers each filled with gas. The nautilus can sink to the ocean bottom or rise to the surface with the changing of gas pressure or flooding some of the chambers with water. This is exactly how submarines work.

Evolutionists believe that the nautilus evolved from mollusks that grew extra sections of its shell as floatation devices. However, fossil nautiluses look just like today's nautiluses, showing no evolution. No one would say today's submarine happened by accident and chance, so why would we say that about "nature's submarine" the nautilus happened by accident and chance? The nautilus gives glory to God's ingenuity.

...stop and consider God's wonders. Job 37:14

Weird and Wonderful, Geoff Chapman, 2000, p.22

Coming Up . . .

May 19—Jay Seegert—Evolution: Probable or Problematic?

June 16—Brian Young, Evolution, Astronomy and Men on Mars

July 21—TBD

August—No meeting, no newsletter

E-mail Newsletters

Postage rates continue to increase and returned newsletters now cost us \$1.21 for return postage. Some don't have email so we want to continue to offer these paper newsletters. If you have email, please consider going to the email version. You will receive your newsletter sooner and we include links to other activities you may be interested in. We remind you a few days before the meeting with location updates. Thanks

K-12 Writing Contest ends May 15

Does your child like to write? We want to encourage your kids to become science writers for future generations. This is a good opportunity for them to get experience in writing. They can use their science fair project or another topic. The following link offers rules and suggestions.

TCCSA's STATEMENT OF BELIEF

We believe in God: The Father, Son and Holy Spirit. We believe that the Bible is the inspired Word of God, and that all of its assertions are historically and scientifically true in the original autographs; this means that the account of origins in Genesis is a factual presentation of actual historical truths.

We believe that the origin of matter and all basic types of living things, including man, came about through direct creative acts of God during the six-day creation week described in Genesis. Whatever biological changes have occurred since the creation week have accomplished only changes within the created kinds.

We believe that the great flood described in Genesis, commonly referred to as the Noachian Flood, was an historic event, world-wide in extent and effect.

We accept the account of the special creation of Adam and Eve as the first man and woman. Their subsequent fall into sin, by disobedience of God's direct command, is the basis for our belief in the necessity of a Savior for all mankind.

Moving?

Or if you will be away for an extended period. Let us know so you won't miss out! The Post Office returns these newsletters so we can update your address, but they charge us for each return. Help us save money and keep you informed by letting us know where you are or will be. You may also convert to email so it goes where you go.

This newsletter is also available as an email? You not only receive your newsletter faster, we send a reminder a couple days before the meeting. We include late-breaking news and activities in the reminder. Let us know if you would like to be included on our email list. We won't share your information with anyone.

We're on Facebook www.facebook.com/pages/TCCSA/110571272303973?ref=ts
