## Teaching Our Youth to Discern the Truth in a Deceptive World

**Tuesday, May 17, 7:30**, Rm F2128, Totino Fine Arts, Univ. of Northwestern, 3003 N Snelling, Roseville

Shyla Allard will be sharing some practical ways that you can help young people to discern the truth in the deceptive world we live in. Her talk will include ideas for teaching the truth and reliability of the Scriptures, helping our youth to understand the Biblical view of the nature of mankind and ideas for helping our young people to understand and articulate the big picture view of the world through the lens of the Bible - starting from the very first verse in the creation account. Shyla has worked with the youth of a large metro church for several years and leads them on a museum trip to Kentucky and Chicago each year.

All Meetings are free and open to the public, an offering will be accepted.

Have you considered...

...the humming bird's tongue? The humming bird uses its long, thin tongue to lap up a small pool of nectar. At the same time, nectar is collected through capillary action in side channels of the tongue. When the tongue is drawn back into the mouth, the nectar is squeezed from the channel recesses and then swallowed.

Where is this long tongue stored? The tongue—like the woodpecker's tongue—splits at the floor of the mouth; then the two forks wrap under the jaw and around the head and are fastened in the front of the bird's skull—all this happens under its skin.

The tongue and the bill would be useless if the hummingbird could not hover. Conversely, there would be no need for the bird to hover if it did not have the long bill and tongue. The tongue, the bill, and the ability to hover had to be there from the beginning. Also, notice the size of the bird—if it were larger, it would take more energy for it to hover. Where would it obtain enough nectar to power a larger body? The Master Designer set it up correctly from the very beginning.

So buy a hummingbird feeder; boil 4 parts water to 1 part sugar, cool and place in feeder. When visitors come... have them consider the hummingbird's tongue.

...stop and consider God's wonders. Job 37:14

### Prayer Request

Linda Lehrke, our videographer, and her husband are both experiencing health issues. Please pray for Linda and Rod. Thanks

### Moving?

Or if you will be away for an extended period. Maybe you're visiting family for a few weeks. Let us know so you won't miss out! The Post Office returns newsletters so we can update your address, but they charge us for each return. Convert your subscription to email and keep updated wherever you go. The money we save is used to provide the best speakers we can afford.

### Coming Up (Lord Willing) . . .

June 21—Brian Young, Dinosaurs  
July 19—Spike Psarris, Astronomy  
August—No meeting or newsletter  
Sept. 20—Russ McGlenn, The Drake Equation  
Check for updates at [www.tccsa.tc](http://www.tccsa.tc)

#### TCCSA's STATEMENT OF BELIEF

We believe in God: The Father, Son and Holy Spirit. We believe that the Bible is the inspired Word of God, and that all of its assertions are historically and scientifically true in the original autographs; this means that the account of origins in Genesis is a factual presentation of actual historical truths. We believe that the origin of matter and all basic types of living things, including man, came about through direct creative acts of God during the six-day creation week described in Genesis. Whatever biological changes have occurred since the creation week have accomplished only changes within the created kinds. We believe that the great flood described in Genesis, commonly referred to as the Noachian Flood, was an historic event, world-wide in extent and effect. We accept the account of the special creation of Adam and Eve as the first man and woman. Their subsequent fall into sin, by disobedience of God's direct command, is the basis for our belief in the necessity of a Savior for all mankind. Therefore, we believe that Jesus Christ is our Lord and only Savior and that personal faith in Him is necessary for salvation.
