

You Are Mistaken: Science gone Awry

Tuesday June 15, 2021, 7:30 PM, 3003 N. Snelling, Roseville, Totino Fine Arts Center Rm F2106 Carousel

The first part is taken from Jesus' response to the Pharisees concerning the resurrection in Matthew 22:29. The complete statement is "You are mistaken because you know neither the scriptures nor the power of God" (NEB). Science and its views of origins are mistaken because it is operating on a limited knowledge base, rejecting the scriptures and the power of God. As a result, it will be impossible for science to arrive at a correct understanding of creation and the natural world. The current drift from Darwin and the contrasting trend toward intelligent beginnings, once again leaves scientists wondering where they went wrong. Christians have the answer.

Dr. Don Beirle will address issues including 1) a Christian view of knowledge; 2) five components of a Biblical worldview of the creation that are all denied by the current science consensus; 3) the good that science could do for mankind if redirected from its "mistakes." Dr. Beirle is an excellent speaker and this will be our first in-person meeting since March 2020.

Have you considered...

... Finally! The 159-year-old debate has been settled! In the same quarry that "Archie" the Archaeopteryx was found, a fossil feather was found. Evolutionists had considered that the feather belonged to a dinosaur. If it did, this would fit nicely the evolutionist's narrative of dino-to-bird evolution. But whose feather was it really, a bird or a dinosaur? Using a specialized type of electron microscope, researchers studied the nine attributes of the feather; they surmised that it was indeed a feather and it was specifically a flight feather called a primary covert feather. Scientists also examined 13 other Archeopteryx fossils, three having well-preserved primary coverts feathers. Then scientists overlaid the feather on top of the archaeopteryx's wing, and it fit perfectly. Not only that, scientists were able to discover microscopic pigment structures (melanosomes) in the feather which revealed the color of the feather- entirely matte black. This 159-year-old debate is over, the feather belonged to a bird called Archeopteryx. No dino-to-bird evolution! Just as God has said in the Scriptures, He created birds to be birds and dinosaurs to be dinosaurs. No evolution here!

Welcome back... We plan to see some of you again in June with these rules. 1.) Masks/Face Coverings are expected to be worn indoors. 2.) Social Distancing (6 ft) should be observed. 3.) Hand-washing or sanitizing before entering a room is suggested.

The limit is for 150 in the room so that shouldn't be a factor most of the time. We won't have extra face masks available so please bring your own. Hopefully the mask mandate will be dropped before too long.

Coming Up (Lord Willing)

July 20—Dr. Joseph Kezelle, Valuable and Vicious Viruses

Aug. 17—Dr. Tim Clarey, from ICR

Sept. 21—Russ McGlenn, TBD

Oct. 19—Dave & Mary Jo Nutting, from Alpha Omega

TCCSA's STATEMENT OF BELIEF

We believe in God: The Father, Son and Holy Spirit. We believe that the Bible is the inspired Word of God, and that all of its assertions are historically and scientifically true in the original autographs; this means that the account of origins in Genesis is a factual presentation of actual historical truths. We believe that the origin of matter and all basic types of living things, including man, came about through direct creative acts of God during the six-day creation week described in Genesis. Whatever biological changes have occurred since the creation week have accomplished only changes within the created kinds. We believe that the great flood described in Genesis, commonly referred to as the Noachian Flood, was an historic event, world-wide in extent and effect. We accept the account of the special creation of Adam and Eve as the first man and woman. Their subsequent fall into sin, by disobedience of God's direct command, is the basis for our belief in the necessity of a Savior for all mankind. Therefore, we believe that Jesus Christ is our Lord and only Savior and that personal faith in Him is necessary for salvation.
