Greetings. My name is Bryce Gaudian. Our family lives in southern Minnesota where we daily experience the miracle of God’s love and care for His creation. Roads in my life that the Lord has lead me on have crossed my path with a lot of amazing people. It is many of these wonderful relationships that have allowed this catalog to become a reality. From Bronn Journey - beloved and renowned harpist; to Andy Hedges - one of the most celebrated up-and-coming cowboy poets in the land; to Dr. Henry M. Morris and Dr. John C. Whitcomb - co-authors of the historic great work, The Genesis Flood; to Joe Taylor, legendary excavator and castor of dinosaur bones; to Terry Andersen who has played drums for Christian guitarist, Phil Keaggy, and now has formed his own God-honoring band; to Buddy Davis, extraordinary adventurer, musician, writer, and maker of lifesize dinosaurs; to Lewis Lavoie from Alberta, Canada who masterfully paints dinosaurs and people together before the flood of Noah; to extremely talented flower photographer, Jeff Dorgay; and so many more. Some of these fascinating people are pictured here. Open the pages of this catalog and ENJOY the absolutely outstanding great works - and please ORDER some!

The work to bring this project together has been done so you can reap the benefits of obtaining these items at some of the lowest prices available ANYWHERE! Making the resources in this catalog affordable will hopefully allow you to more freely make purchases to fit your needs.
