Description of Vol. 1 DVD:

Explore the wonder of the nature of God in the mysterious and amazing world that is the Pacific Reef. Together with your host, Peter Schriemer, dive into the world's largest ocean and meet some of the world's most intriguing animals. Watch the world's biggest mammal, the whale, as it swims in its home waters, see a green sea turtle up close and personal, and count the tentacles of a slithery octopus. You and your family will be amazed by God's creativity and the beauty of the Nature of God.
