

Come. Experience the "WONDERS OF SCIENCE!"

Kids and adults alike gasp in delight at one dramatic "experiment" after another – each demonstrating the power and design of natural law, followed by challenging insights from the Bible into nature's Creator!

Come to all four presentations:

Each presentation is unique!

Admission is free!

A million volts of electricity
shoot through his body, the board in
his hand bursts into flames, and
sparks shoot from his fingers...
