

## **Winter 2012 Bible Study**

### **A Study of Genesis The Creation (Chapters 1-2)**

***Monday Nights 6:30—9:00 p.m.  
January 16—February 27, 2012***  
*In the Emmaus Fireside Room*

Can you defend creation against evolution? Learn how the world was created and how man came into being as you study both biblical and scientific accounts. (The reading of the scientific accounts is optional for this course.)

*This six-session study will be facilitated by Tom Glick and is being offered for men and women.*

*Sign-up in the atrium on Sundays beginning Jan. 1st to register for this winter study which requires an investment of less than five hours per week.*

*Cost of materials is \$25/person.*
