

## Family Event

**Babysitting** is included.

**Children's activities** include fossil making and finding real fossils which they will be able to take home.

**Snacks & lunch** at affordable prices.

**Fossil room:** located downstairs (elevator available). Open between sessions so you can tour it on your own as time permits.

**Guided tour of fossil room:**  
**8:15-8:45 a.m.**

**Register on line – now!**

**Help us plan.** Registration at the door: \$10.00 individual or \$15.00 for a family

Lunch (Chicken hind quarter, potatoes and vegetable) paid at the door: \$3.00 per person

Reduced registration and meal costs. Register on-line and pay by March 8, 2013. Details at: [www.stlucasc.org](http://www.stlucasc.org)

**Inspired Evidence: Only One Reality.** Both authors will make presentations. 432 page daily devotional based on the Bible and science.

## New Data

Understand the difference in science behind millions of years and thousands of years and see what the real time-line is.

Often one encounters very bright people, very skilled in their area of expertise, who make comments on subjects outside of their area of expertise based on one side of the Science/Bible issue. Other people then read these writings, recognize the author's skill in his expertise and assume that he has applied the same diligence of study to all of his areas of comments. As a result, they no longer see the other side of the issue as plausible and they politely listen, but no longer hear.

## Saturday, March 16

### 8:00-8:45 a.m. Registration

**8:15-8:45 a.m. – South Dakota Dinosaur Dig and Tel Kabri Israel Dig** – Lora Korynta

**8:50-9:00 a.m. – Opening** – Pastor Dan Peterson

**Session 1: 9:00-10:00 a.m. – The Red Record:** Genesis confirmation from the Native American history. – Bruce Malone

### Session 2: 10:15-11:15 a.m.

Choose one:

2A, -- **Mt. St. Helens:** Julie Von Vett

2B, -- **Recent Archaeology in the Jerusalem Area:** Neil Smith

### Session 3: 11:30-12:30

**Matinee Madness:** How movies have reinforced the rejection of Biblical creation truth and how we can counteract this powerful pulpit of deception. This presentation will take viewers through dozens of modern blockbusters and timeless classics. – Bruce Malone

**12:30-1:30 Lunch** (hind quarter of chicken, rice and vegetable) \$2.25 for early registration or \$3 at the door.

### Session 4: 1:30-2:20 p.m.

Choose one:

4A. **From Evolutionist to Creation:** Dr. Ross Olson, MD

4B. **Life & Technology in the Pre-flood World** – D B Macks

### Session 5: 2:30-3:25 p.m.

**Uncensored Answers:** Choose from 44 topics of typical questions people ask about Creation and Science – Do you have the answers? Bruce Malone

### Closing – 3:25-3:30 p.m.

Pastor Dan Peterson

**Bruce Malone** is a retired Dow Chemical researcher (17 patents – including materials used on the Space Station). He is an internationally known speaker and Executive Director of Search for the Truth Ministries. His latest book is co-authored: *Inspired Evidence: Only One Reality*.

**Julie Von Vett** has been a full time science teacher for homeschool co-ops, teaching creation science for the past nine years. She is also a freelance speaker on worldviews and creation science. She is co-author of *Inspired Evidence: Only One Reality*.

**Lora Korynta** teaches science at Northside Christian School in Blaine. Her degree from the University of Minnesota is in Classical and Near Eastern Archaeology. She assisted at an excavation in Tel Kabri, Israel. Lora has many years of experience excavating and reconstructing dinosaur bones, and

co-leads a creation science dinosaur dig in South Dakota.

**Dr. Ross Olson, MD** is a retired pediatrician who spent 8 years as a missionary to Hong Kong. He struggled with his faith in college and medical school over the issue of evolution. He became a theistic evolutionist until years later he discovered that he had been brainwashed and “The Emperor Has No Clothes.”

**Neil Smith** is a retired Federal criminal investigator with over 40 years experience, including over 20 years with the US Army CID, and is a graduate of the FBI National Academy. His investigative interests include archaeology and the Bible. His personal Christian journey has led him to recognize that faith is not blind; rather it is both reasoned and rational and can be supported by both logic and evidence. He has traveled extensively, including trips to Israel and the Middle East.

**D B Macks** is the author of The Time Twins Series. The stories came out of a desire to give Teens an alternative to the evolutionary theory they are taught in school and by much of the media. Ten years of pre-flood research went into the creation of the stories. The surprise was the existence of advanced technology used in that time.
