

Get both sides - Hear the Case for Creation!

Does Natural Selection Create New Information?

What does DNA tell us about Evolution?

How did we become Human?

April 10, 11, 12, 2016

Minnesota State University - Mankato

Special events

4/10 Sunday 10AM Worship Meeting – Morris Hall 103

“Human Genetics and the Bible”

The latest genetics and mutation research actually matches the Biblical account! What are the implications?

4/11 Monday 7PM – CSU room 254/5

“Atheism and the Origin of Life”

Atheists say they are more reasonable & based on science. But what do the *facts* of science actually say about origins?

4/12 Tuesday 12noon – CSU Flex Lounge (basement)

“In God’s Image – or Planet of the Apes?”

Were there ever any real ape-men? A multi-media review of so called human evolution including Neanderthals & Lucy.

(Bring your questions!)

Speaker: Helmut Welke, MS is a recently retired engineering manager for a Fortune 200 company. He holds BS & MS degrees from the University of Illinois (Urbana) and was named a ‘Fellow’ by his engineering society. He is a certified engineering manager and has held engineering assignments in several locations in the US and in Europe.

He is also the founder and president of the Quad-City Creation Science Association, a member of the Creation Research Society and a speaker for Logos Research Associates.

Sponsored by Maranatha Christian Fellowship & International Student Outreach. Contact Johnathan Bislew at bislew@mac.com for more information.
