Ancient Exorcists, Demons, and the Name of Jesus

Northwestern College

3003 North Snelling, Roseville Minnesota, Nazareth Hall Chapel

For Details Directions & Maps visit www.tccsa.tc

Ancient Exorcists used a wide variety of magical voodoo-like practices to summon, control, and cast out demons, including at times even using the name of Jesus. This PowerPoint presentation will study the widespread magical practices of these ancient exorcists and will compare and contrast their practices with the exorcisms of demons by Jesus in the New Testament.
