Early man is routinely portrayed as a knuckle-dragging, wife-beating, dimwitted ignoramus because it is assumed that he evolved from some sort of ape-like ancestor. Nothing could be farther from the actual truth. Every culture of the world displays the incredible intelligence of mankind from its very foundation. This talk explains how historical mysteries of the past confirm key biblical events such as the creation of mankind, the fall of creation, the worldwide flood, and the dispersion from Babel.

- * A 12-foot bronze sculpture from ancient China showing key events from the garden of Eden
- * An ancient map showing the Antarctic coastline BEFORE it was covered by ice over a mile deep
- * Pyramids from ancient cultures around the world, many built with unbelievable precision
- * Complex chemical glues developed by Neanderthals, mechanical bronze computational devices constructed by Greeks, brain surgery by the Incas, and working batteries by the Babylonians.
