

# ***Creation Emphasis Weekend***

## ***October 5-6, 2013***

***Cornerstone Community Church,  
420 West Third Street, Red Wing MN***

**Saturday, October 5th, 6:00 – 8:00pm**

### ***“Elephants in the Living Room”***

Evidence from every area of science supporting Biblical creation. This is the evidence often not presented in our secular culture. - *Each family in attendance on Saturday night will receive a free creation DVD.*

**Sunday, October 6th, 9:30am Worship service**

### ***“The Creation Foundation”***

The Bible provides a model for not just morality and salvation, but for understanding all of reality - including science.

**Sunday, October 6th, 6:00 – 8:00pm**

### ***“A Matter of Time”***

Why is there no conflict between what the Bible and science reveals about our recent creation.

***Family events with childcare provided for ages 5 & under.***

**with Bruce Malone**

***Bruce is a former research leader for Dow Chemical with 28 years of science experience resulting in 18 patents. He has been writing and speaking on the scientific evidence for creation for over 25 years and is Director of Search for the Truth Ministries.***
