

Dissection Camps!

Discover the amazing intricacy of God's creatures at Dissection Camp! Students will have the opportunity to learn the proper dissecting methods on a variety of animals. Dissection is a wonderful way to get hands-on, high-school level biology. John will give step-by-step guidance and the student will learn by sketching what they see.

**Take Dissection
Camp to fulfill lab science
requirements for high school!**

**October 7 & 21: Dissection I
(worm, crayfish, grasshopper, clam)**

**October 14 & 28: Dissection II
(starfish, fish, frog and a cow's eye)**

Ages 13-18

Time: 10:00 am to 3:00 pm.

Lunch will be provided.

WOW!

Only \$48 for the whole day!!!
