

PATRICK NURRE

Creation Geologist

From Northwest Treasures, Seattle, Washington

Speaking on:

Seeing the Flood in the Geology of
Yellowstone

Thursday April 16th 6:00- 8:00

(Speaker starts at 6:30)

St. Lucas Community Church

1195 Manning Ave. N.

Lake Elmo, MN 55042

Families encouraged to attend!!!

Rock identification activity for children starts at 6:00!

Yellowstone is truly an amazing place to start your journey understanding the Flood of Genesis and the geological implications that we see all around us.
