Dr. Rob Stadler

"The Scientific Approach to Evolution"

University of Northwestern - St. Paul, 3003 North Snelling, Roseville, MN,
Totino Fine Arts Center, Room F2128 (Old F116) www.tccsa.tc

Which would you prefer: scientific evidence that provides high confidence or scientific evidence that only provides low confidence? This lecture will explain the differences and review the levels of confidence in the evidence for evolution. When high-confidence evidence is appropriately prioritized over low-confidence evidence, the result is a profound new view of evolution – one that they didn't teach you in biology. For more information on this topic, please visit www.scientificevolution.com.

Dr. Stadler's book ***The Scientific Approach to Evolution*** will be available.
