

November 2023 Russ & Amy News Letter to Supporters and Prayer Warriors

Projects. My latest Diorama is of the Garden of Eden. This is based on the Bible description in Genesis. Also, the Chinese Version which is recorded in the ancient Chinese Bone Oracle writing that predates present day Chinese glyphs. Their name for God is Shang Di. It was written about the time of Abraham 4000 years ago. It gives more details of what the garden was like. I developed this program about 30 years ago when we sponsored Chinese refugees from Vietnam. For the whole story write to me at my email and I will send it to you in a PDF file.

Praise. Health. Amy is doing better. We are trying to get in a brisk 2 mile walk each day. She is sleeping better because of this.

Pray. War in Israel. I took a 28-page history of the Jews in the promised land and cut it down to 9 pages. In it I show that there has always been a remnant of Jews living in Israel since the Romans

destroyed the temple in 70 AD. It is other countries who are the colonialists that have tried to take the land away from God's people since the Roman occupation. If you want this paper write me.

Pray. December 8th a group from Monterey Christian School will be coming for a day of dinosaur digging and other activities at the museum. For 2 months we have been having small family groups visit of 3 to 6 people. I make a packet of materials for them. I include Bob Helfinstine's book "Texas Tracks and Artifacts," a list of free books, a tract I've made on "Oil is a Renewable Resource," a T-Rex tooth reproduction with tract and a tract on Noah's Ark and what it means for us today.

Amy's relatives came for Thanksgiving. This is Nu Nu her niece's 4-year-old daughter. She is learning English and I played Legos and other activities with her on that day.

Pray that her family will come to Jesus. Amy led her sister-in-law to Jesus a few weeks before she passed away from Parkinson's in 2020. Because they grew up under Communism, they have no religious background.

Pray for healing for my friend John who has open heart surgery Nov. 28. Two valves have to be cleaned or replaced. **Praise.** Nov. 25 Tricia will have been gone to heaven 7 years. I will always miss her and thank God for 49 years together. Counselors say that we often relive the most traumatic event in our life each time in the year the event happened. That is true for me, but is lessening emotionally as the years go by. Thank you for your prayers.
