

## Living Waters Bible Camp Events

### **Creation Conference- May 3-5,2024**

This is an ideal training program for the whole family. Featuring Dr. Randy Guliuzza (ICR) and Jay Seegert (The Starting Point Project) sharing technical talks on critical topics in the defense of Biblical Creation. Children are welcome to attend these sessions, but will be given the opportunity to attend youth creation focused programs as well.

### **Copper Country Creation Adventure- May 23-28, 2024**

This will be a Creation-based trip featuring daily excursions including easy-to-moderate hikes through a copper mine, to a lookout point at Lake of the Clouds, and collecting Agates and “yooper-lites” along the shore of Lake Superior. *Space is limited and the registration deadline is February 28.*
