Exposing the Tactics of Atheist Evolutionists

Speaker

**Danzil Monk**

**Tuesday, January 21, 2025 – 7:00 pm**

Danzil Monk will be addressing the importance of being able to defend biblical truth against the many tactics of atheist evolutionists. He will give a brief history of the battle up to where we are now, the methods and tactics of how they fight and why they have been so effective, and conclude with how we should be prepared to counter and disarm their tactics. *Note:* it is their tactics not their message that has been most effective in hindering us.
